- Continuous Improvement

02 PROFESSIONAL EXPERIENCE

Founder & Principal Researcher, Modus Human

MAY 2025 – PRESENT

- Develop graduate consulting proposals comparing hiring approaches and compensation structures, weighing organizational needs, costs, and implementation tradeoffs.
- Conduct job analysis and point-factor evaluations to inform compensation recommendations, including domestic and international compensation reports.
- Design training plans incorporating needs analysis, learning objectives, facilitator resources, workplace practice, and evaluation measures.
- Develop educational apps for health self-management and career development, using AI-assisted workflows to translate research into accessible, interactive learning experiences.
- Design an applied behavioral study comparing digital and paper self-monitoring, incorporating measures of adherence, usability, and self-regulatory awareness.
- **Additional contract work: AI Research Fellow Contractor, Handshake AI** · MAY 2026 – PRESENT
  - Evaluate AI-generated responses against standardized criteria, documenting accuracy and reasoning issues and incorporating evaluator feedback.

CFO & Director of Human Resources, Crisp Restaurant Systems

SALT LAKE CITY, UT · AUG 2021 – MAY 2025

- Developed Level 2 and Level 3 customer support positions based on workload demand and ticket complexity, assigning advanced troubleshooting and peer-support responsibilities.
- Built **Crisp University** through TalentLMS, reducing training time by **20%** and support tickets by **15%**.
- Partnered with the CEO and Board on budgets, forecasts, and resource decisions, contributing to **21% year-over-year EBITDA growth**.
- Conducted salary benchmarking, pay-equity reviews, and pay-range development to support compensation decisions within budget constraints.
- Established a performance-review process incorporating written feedback and self-evaluation to guide employee development conversations.
- Led a cross-functional team of **14 across the United States and Europe**, aligning priorities, coaching employees, and coordinating work across departments.
- Delivered a billing-system improvement project **on schedule in two months**, translating operational needs into developer requirements and coordinating implementation across teams.

Director of Operations & HR, Proper Brewing Company & Craft by Proper SALT LAKE CITY, UT · MAR 2016 – DEC 2019

- Managed operations supporting approximately **150 employees and 10 direct reports**, aligning staffing, schedules, and labor costs with business needs across multiple locations.
- Developed operating procedures and trained managers on service standards, inventory controls, compliance, and financial responsibilities.
- Coordinated hiring and onboarding for new locations, supporting approximately **30–40 hires per opening**.
- Coached managers through employee concerns and operational challenges, using attentive listening, clear expectations, and consistent follow-through.

03 ADDITIONAL EXPERIENCE

Document Control Manager, Granite Construction

- Coordinated documentation and approval workflows with UDOT staff, engineers, and contractors on the Weber Corridor design-build transportation project.

Project Manager Assistant, Internship, U.S. Forest Service

- Supported project coordination and communication among scientific, agency, and community stakeholders with differing priorities and technical backgrounds.

04 VOLUNTEER & COMMUNITY EXPERIENCE

Volunteer Job Coach, People Helping People SEP 2026 – PRESENT

Volunteer Community Educator, DonorConnect 2026 – PRESENT

- Explain organ and tissue donation information with clarity and sensitivity, responding thoughtfully to community questions.
